Product Name: K-Board

Item #: K-716

UPC: 91037792068

Product Description:
The easiest way to make music with a computer or tablet. K-Board marries plug-and-play functionality with road-proof durability, making it the premier ultraportable keyboard for on-the-go production. Because each key is layered with Smart Fabric, the K-Board can register tilt, velocity, and pressure, ensuring you get the most expression out of your playing. K-Board is highly adaptable, and will connect with all leading audio software out of the box.
