

**Product Name:** Rogue Wireless MIDI Controller Accessory

**Item #:** K-710

**UPC:** 91037726384

**Product Description:**

Discover freedom with Rogue. An accessory for the QuNeo 3D Pad Controller that supplies long lasting battery power and an incredibly robust wireless connection to a computer, Rogue attaches quickly and easily to the bottom of your QuNeo with low-profile Velcro. Battery life for Rogue exceeds 12 hours - play all day without recharging. Rogue uses advanced radio technology with a 2.45GHz ISM (Industrial, Scientific and Medical) band. With easily changed hi-gain antenna attachments, wireless range can be adapted to fit your needs - from 50 to 200 meters (included antenna is 50+ meters).
